Unfinished business

Finalize Rodeo Dates and locations

Arena agreements have been mailed out to all arenas besides Abilene. At time of this meeting Columbus and NTSC are the only ones that have returned theirs. Abilene will not be able to host the rodeo if for some reason it rains earlier in the week and they aren't able to get

the arena ready after their demo derby. The board decided to go ahead and book the arena and if it rains we will have to find another location at last minute.

Event Directors:

YB discussed event directors at the request of the adult board. After much discussion, it was decided to have directors under the following guidelines.

Event directors will not be the same person throughout the season. Members (or their family) will be asked to sign up to be an event director at minimum 2 events for 2 perms. over the course of the rodeo season. The Director will be in charge of making sure all of the 'helper spots' are covered for that event. For instance, the Shannon family will be the Poles event director at the Chanute rodeo on Saturday. They will make sure there are people at the in/out gate and setting up the poles on that day for that particular rodeo. A possible consequence for not showing up for the event is to forgo all points that would have been accumulated for that perf. Clay added that it might be helpful to get brightly colored mesh vests for the ED to wear during that event to be visible. Event director signups will be at the welcome back dinner in CG. After sign ups, a reminder print out will be posted next to the draw at rodeos and a reminder notice will be given to the announcer and to the person who signed up so to minimize people forgetting. YB members decided that it would be helpful if there were a list for each event as to what the 'helper spots' are. YB will each research and make a list of duties of the Event Director for a particular event. YB will prepare and bring these lists to the next board meeting.

New Business:

Website contract:

Clarification was made concerning the website. We pay \$33.98 every two years for the ".com" and \$149.95 to Kate for the "domain." Vincent got a quote from Kate to upgrade the website for \$395. Vincent is going to send the board some other websites that Kate has done as an example and discussion was tabled until next meeting.

Insurance:

West Bend no longer covers rodeo events so Cassey has been looking for coverage elsewhere. A quote from Graham Rogers for \$1,100 was given. She is waiting on a quote from one other place before a vote can be made. Tabled until next meeting.

Bullfighters:

Bret moved and Chad 2nd to permanently increase the bullfighters pay to \$100 a perf. Passed unanimously.

Stephanie Newell agreed to help Erin contact Michael Coy and Seth Roush to get some dates set.

EMS Coverage:

Dan Jacobs will cover any EMS duties that we can't get covered at little to no cost by the local agencies. Board approved the purchase of an EMS trauma bag last year and Erin is going to have Dan order the bag. Was not to exceed \$250.

Chaplains Budget:

The board asked that Chad come up with a proposed budget and present to the board next meeting.

Announcements:

* Stephanie wanted us to be aware that our association is a YBR qualifier. Mutton Buston, calf, steer and bull riders can be submitted to participate. Stephanie just sent in the qualifiers from last year to participate this summer. Erin will promote.
