**ALL CONTESTANTS SHALL OBSERVE RULES SET BY THE CYRA
BOARD OF DIRECTORS THAT ARE PRINTED IN THIS RULEBOOK**

1) MEMBERSHIP

The board of directors will set MEMBERSHIP dues by the 1st rodeo of the current rodeo year.

- a) CYRA calendar year is from January 1 to December 31. Previous members need to renew memberships in order for points to start accumulating. (i.e. Points will not begin to accumulate until the date the membership is paid in full and all required paperwork is completed. The rodeo's following that payment will be the only ones to be counted.) Age is your age on or before January 1 of the current year.
- b) Each family membership will receive a rule book. Annual membership dues will be \$70.00/each. (This amount is subject to change each year. Amount will be determined by the current Board of Directors.) A family of 3 members or more is \$70 for the first two members, ½ price for each additional member-this is for sibling groups only. If paid prior to first rodeo of the season, membership fees will be discounted \$10.00 for the first paid member of each family, (includes all members whether a family or single membership).
- c) Members must present a notarized application, including social security number, a birth certificate, and for those members at the start of the season currently in grades 9-12 (in the Senior Division) proof of school enrollment is required for each new season. Members will not be allowed to accumulate points in any CYRA sanctioned rodeo until ALL required documents are received. (i.e. Points will only accumulate from the day all info received and forward, previous rodeo points will not be allowed to count). Once all items are turned in the member will be considered in good standing.
- d) Members shall carry the same membership number each year. Members in good standing may compete in finals rodeo and receive end of year awards. Members are not required to compete at finals to be eligible to receive year end awards.

2) NON-MEMBER

Non-member contestants must meet the following criteria before they may compete:

- a) Non-members will be required to pay a \$15.00 non-member fee per rodeo in addition to any normal entry fees. Fees will be paid to the rodeo secretary, who will give all non-member fees to the CYRA.
- b) Non-Members must submit a release form signed by a parent or legal guardian and it must be witnessed and notarized.
- c) Non-members must submit proof of age and social security number to the rodeo secretary.
- d) Non-members may not compete if they are over 18 years of age on or before January 1. (Exception to be made if age 19 by date of the first rodeo and provide proof of current high school enrollment)

3) POINTS

A contestant must be a member in good standing with the Association prior to points being accumulated.

- 4) Contestants will not have to pay a GATE FEE at the performance in which they are competing as a paid contestant. Parents, helpers, non-competing siblings, and all spectators will pay a gate fee.
- 5) Contestants may REVIEW THE RECORDS of all contestants in any event in which he/she participates in at the end of each go-round. This request must be made at a reasonable time so the rodeo secretary and/or judge may be present. Scores will not be changed once they are turned into the CYRA point's secretary, except for an obvious mathematical error. Markings must be totaled and checked by the rodeo secretary.

6) The RULES COMMITTEE will be the only people eligible to bring rule changes/additions to the voting members. All members are eligible to submit rule changes/additions to the RULES COMMITTEE. The RULES COMMITTEE will be responsible for researching all rule changes/additions submitted. It will be up to the RULES COMMITTEE to determine if the rule change/additions will or will not benefit the association, also decide if the submitted rule may or may not pose a safety factor. The RULES COMMITTEE is required to explain their findings and decisions to the person submitting the rule and to the current board members. The dead line for all rule changes/additions is 30 days prior to the first day of finals of current season. Rule proposals will be submitted and approved every 2 years (even years, i.e. 2016, 2018, etc.). New rule books will be printed those same years.

7) **AGE DIVISION**

Will be divided as follows:

- a) Senior division age 14-18 (Member’s age 19 on or before January 1 of the season that have provided proof of high school enrollment will be eligible)
- b) Junior Division age 9-13
- c) Peewee division age 3-8 (Unless otherwise noted)

8) **PERFORMING IN A HIGHER AGE BRACKET:**

If a junior member wishes to participate in a senior event, he/she must give the association secretary a notarized approval form signed by his/her parent and then must meet the approval of the CYRA Board. The following will happen after the Board approval.

- a) If the decision is made during the rodeo year, all junior points will be forfeited and will be given to the members who finished behind the member changing age brackets according to placing at the rodeos.
- b) The contestant will not be able to compete in any junior events. No contestant may compete in 2 different age groups.
- c) The contestant may return to the junior division, with board approval, at the start of the next rodeo year or within the current rodeo year if they are still within the age range. If the decision is made to return to the junior division, the contestant will start with zero points in the junior division events. **These rules will also apply to peewee contestants entering into junior events.*
